

John Del Vecchio

Senior Vice President of IT

John Del Vecchio is the Senior Vice President of Information Technology at AHF Products and a seasoned leader with over 30 years of IT experience. He has spent the last eight years in the flooring manufacturing industry, spearheading technology integration, digital transformation, and cybersecurity initiatives.

Del Vecchio's expertise spans M&A, project portfolio management, and enterprise IT strategy. He holds a Master of Science in Information Systems from Drexel University and is recognized for his ability to align technology with business goals. His collaborative approach and big-picture thinking continue to propel AHF's digital evolution.
